

## **Process to Request a Change of Start Time**

Should a club wish to Request a change of start time for a Saturday League Time then the following process MUST be followed: A club can only request a change of start time where the pitch is either unavailable (due to school, other match) or travel times are affected (eg Ferry Timetables). It is not possible to request to change a start time for other reasons.

When requesting a change of time, note that ALL games must commence by 2pm and that a minimum of 40 overs per innings should be played.

Contact WDCU Administrator ([admin@wdcu.co.uk](mailto:admin@wdcu.co.uk)) in writing to indicate that you wish to start the process to change a start time, indicating the justification for the request

Upon approval from WDCU then:

- Contact and get written agreement from the opponent that they are happy to accept the new start time
- Notify the WoSACO Appointments Officer ([appointments@wosaco.co.uk](mailto:appointments@wosaco.co.uk)) of the agreed change of start time.
- Notify any appointed umpires of the change of start time
- Notify PlayerReg ([ericmy@globalnet.co.uk](mailto:ericmy@globalnet.co.uk)) to ensure start times update on PlayerReg
