

OFFICIAL COMMUNICATION  
FRIDAY 3<sup>RD</sup> APRIL

## Cricket Scotland provide further update in response to COVID-19

Cricket Scotland staff have been working remotely since 18th March and on 30th March, cricket activity was suspended in Scotland until 1st June.

As a direct result of this suspension of activities, Cricket Scotland has taken the difficult decision to furlough a significant proportion of its staff across the organisation due to the COVID-19 pandemic.

In accordance with Government advice, Cricket Scotland has been strictly adhering to suggested protocols and re-evaluating these on a daily basis in order to best support the fight against the spread of COVID-19. The well-being of our whole community remains at the forefront of our thinking and decision making.

Cricket Scotland will operate with reduced staff throughout April and May, with regular reviews taking place throughout this period.

Clubs, members, supporters and the wider cricket community may contact the relevant member of the leadership team as follows:
