

00:52:13 Dave Cooke - Inverclyde CC: Think it is more about attitudes to self-umpiring in particular than lack of rule knowledge to be honest.

01:02:44 Ammar Ashraf: What about LBTQi, Equality, Disability, Unconscious Bias training have the committee been of these courses?

01:05:05 Ammar Ashraf: Above is for D & A committee

01:07:10 Ammar Ashraf: unbelievable

01:09:29 Parvase Majeed: will be available at WDJCU agm

01:10:01 Parvase Majeed: Hopefully in next 2 days

01:16:01 Ammar Ashraf: Apologies had to leave the call due to caring duties, I have been advised Peter asked me to expand. I will take this after the call. don't want to slow proceedings down and have to leave early

01:17:10 Parvase Majeed: In all the years I have been in the WDCU Executive never been asked to pursue diversity for CMC or any sub committee.

01:17:53 Parvase Majeed: Perception is the WDCU committees are a closed shop. Need to remove that perception first

01:19:30 Parvase Majeed: I thought the whole point was for the Executive to discuss this openly at committee not one on one calls. MARK and sai

01:19:59 Ammar Ashraf: what clubs have you asked?

01:20:12 Parvase Majeed: Not one time at WDCU Executive has this been discussed for Sai and Myself to encourage diversity

01:21:59 Ammar Ashraf: there is a lack of trust Peter in fact no trust that is why they are not coming on

01:22:13 Murtaza Syed: I am sure if people put themselves forward and volunteer, it will be considered.

01:22:22 Parvase Majeed: As I said at the last face to face meeting at Poloc No one is saying the committee members are discriminate but it is what is perceived. I said this over 2 years ago at the AGM. Why was no action taken after. that

01:25:14 Ammar Ashraf: I have to go but i really do hope the independent review is successful, and we can all work together for the game we all love.

01:25:18 Parvase Majeed: actions speak better than words. Please answer my questions

01:26:42 Parvase Majeed: Then what was the point of my role on the WDCU Ex Committee

01:27:07 Parvase Majeed: This could also be considered as discriminating.

01:28:04 Parvase Majeed: I am sorry all business is discussed at exe

01:28:17 Dave Cooke - Inverclyde CC: It seems clear that there needs to be positive efforts made to encourage new committee members to volunteer, waiting for them to come forward is no good. Need to have a clear policy statement too.

01:28:52 Shaz Rafiq: Agreed Dave

01:28:57 Parvase Majeed: So let me get this clear. You can come on the committee but those with power decide who gets what involvement

01:29:38 Parvase Majeed: I am now leaving for a WDJCU committee meeting. Thank you bye

01:30:45 Dave Cooke - Inverclyde CC: That is what the chat is for!

01:45:30 David Healy - East Kilbride: Could the CS representative give a view about the governing bodies financial situation and how this will impact on the support they can provide the grass roots?

01:49:12 Dave Cooke - Inverclyde CC: The meeting host can mute people!

01:52:11 Louise Cumbley: You mentioned supports available for those with lived experience who come forward to review - do you have an idea of where this

will come from and the pathways to get support?

01:56:40 TPJ: What is the timeline and plan for concluding the proposed coloured kit and change of ball colour in 2022 (or not or trial) ?

02:03:55 Dave Cooke - Inverclyde CC: Think the use of 'high visibility' balls should be encouraged in the lower divisions too, where sight screens and pitch surrounds etc are not always optimal!

02:06:34 Murtaza Syed: Could coloured kits not be a possibility through lower divisions ?

02:13:26 Andy Reed - Dumfries: plus players playing reserves have to learn to play with both red and pink ball depending on what team they are in

02:14:44 Andy Reed - Dumfries: Happy to not to return to teas

02:14:59 Neil Cauldwell: umpires need teas!!!!

02:16:20 TPJ: FCC Support Premier reserve aligning with 1st X1 re coloured kit and pink ball

02:21:51 Andy Reed - Dumfries: Agreed Paul we used pcs pro

02:32:10 August Pandey (Mearns Cricket): Thanks for welcoming Mearns Cricket Club to the WDCU. We look forward to participating in the 2022 season.

02:32:25 Taral KHASIYA: thank you, stay safe. renfrew cc
